

Debby & Tim Vogt

Debby & Tim discovered round dancing in Rapid City, SD, in 1981. After enjoying easy level rounds Debby learned to read cue sheets and began cueing so they could continue to learn routines. In 1985 they started an easy intermediate round dance club that eventually matured into the National Carousels #136. While in South Dakota they cued for local festivals and square dance clubs and traveled many miles to attend round dance festivals. Tim and Debby had the pleasure of serving as clinicians at round dance festivals in Iowa, Kansas, Nebraska, Colorado, Alaska, and Saskatchewan.

A change in Tim's career in the fall of 1997 took Tim and Debby to a new home in Las Vegas, NV and many new dancing opportunities in the southwest. They danced with several Las Vegas round dance clubs and in 1999 (with the retirement of a local leader) began cueing for National Carousels Club #51 and a phase 4+ evening of dancing. They have been leaders at festivals in Oregon, New Mexico, California, Nevada, Idaho, Oklahoma and Utah.

Tim and Debby have been members of ROUNDALAB for 35 years. Their choreography includes 'All Kinds of Everything', 'Dark Waltz', 'My Heart Will Go On', and 'I Like To Lead When I Dance'.

Tim is a geologist and Debby enjoys birding and bird photography.
